

# ENGLEFIELD ESTATE

## Cow Quiz: True or False?

On the Estate we have a herd of Hereford cows. These are a traditional British breed of cattle with red-brown coats and white faces.

Which of these statements about cows do you think are true and which are false?

TRUE  FALSE 

1. There are more than 9 million cows in the UK		
2. Most dairy cows are milked twice a day		
3. The average dairy cow produces nearly 8,000 litres of milk a year		
4. A cow drinks 60 litres of water a day		
5. In the UK we drink about 5 billion litres of milk a year		

TRUE  FALSE 

6. A cow will eat 50 kilograms of grass a day		
7. It takes a cow between 50 and 70 hours to turn grass into milk.		
8. Beef cows have more muscle than dairy cows		
9. Cows can't sleep standing up		
10. The beef from one cow is enough to make 2,000 quarter-pound burgers		

*Answers: They are all TRUE!*
